Special session
10-14 February 1992, New York
Item 5 of the provisional agenda

PROGRAMME PLANNING: COUNTRY AND INTERCOUNTRY PROGRAMMES AND PROJECTS

FIFTH COUNTRY PROGRAMME FOR ZAMBIA

Note by the Administrator

Corrigendum

Page 2, paragraph 6 should read

6. UNDP resources available for the fifth country programme have been established at $31,645,000, out of which $3,140,000 should be deducted as an overcommitment of the fourth country programme. Of the $28,505,000 actually available for the fifth programme, the spillover of projects from the fourth will require $1,751,147, leaving a balance of $26.75 million for the new programme. It is expected that the new programme will stimulate multilateral and bilateral arrangements related to the areas of concentration selected by the Government for UNDP cooperation.
